IPU Summary Report – Data dictionary

Overview

The **IPU Summary Report** displays the **latest information** regarding IPU applications.

Structure: One row per IPU ID.

Purpose:

- Review of IPU applications by status and expiry date.
- Review of latest DTC decisions and comments for an IPU application.
- Review of IPU applications by specialty, medicine, indication and/or treatment outcome.
- Review of proportion of approved IPUs and/or a treatment outcome (where provided).
- Review of estimated treatment cost for IPU medicines.
- Access to records of inactive IPU applications via PowerBI.

Inclusions: All IPU applications once they have been submitted for DTC review (Status: Awaiting Review, Further information required, Rejected, Approved, Expired, Inactive), including IPUs added to the system as part of data migration.

Exclusions: Draft IPU applications.

PowerBI filters available:

IPU ID All	Medicine name All	Status All	
Organisation All	Facility All	Specialty All	Encounter All
ExpiryDate 28/11/2024 1/01/2050		Latest DTC decision date and time 26/11/2024 15/09/2025	

Col	Description	Format	Value/Comment/Source Field
1	IPU ID	Text	As assigned by the system, for example IPU0001990 <i>Note: Link to IPU application available from IPU ID column when viewing the report in PowerBI.</i>
2	Organisation	Text	As selected in the initial IPU application.
3	Facility	Text	As selected in the initial IPU application OR edits made by the DTC delegate prior to documenting the DTC decision.
4	Specialty	Text	As selected in the initial IPU application OR edits made by the DTC delegate prior to documenting the DTC decision.

IPU Summary Report – Data dictionary

Col	Description	Format	Value/Comment/Source Field
5	MRN	Text	As documented in the 'MRN' field of the initial IPU application OR edits made by the DTC delegate prior to documenting the DTC decision.
6	Status	Text	'Awaiting Review', 'Approved', 'Expired', 'Rejected', or 'Inactive'
7	Encounter	Text	'Inpatient', 'Outpatient' or 'InAndOutpatient', as documented by the DTC delegate at the time of the decision. Field = 'No value' when no selection is made (for example, when Status = 'Rejected').
8	Expiry Date	dd/mm/yyyy	As documented via the latest DTC decision OR Admin action. Field is blank where no expiry date has been documented (for example when Status = 'Rejected').
9	Outcome/Renewal request status	Text	'Awaiting Review' or 'Further information required', otherwise field is blank.
10	Medicine name	Text	As documented in the 'Medicine (Generic) Name' field of the initial IPU application OR edits made by the DTC delegate prior to documenting the DTC decision.
11	Indication	Text	As documented in the 'What is the indication(s) for the IPU?' field of the initial IPU application OR edits made by the DTC delegate prior to documenting the DTC decision.
12	Latest outcome submitted date and time	dd/mm/yyyy h:mm:ss AM/PM	<i>Note: Field is blank where there has never been an Outcome/Renewal request form submitted.</i>
13	Renewal requested	Text	For the latest outcome form, was a renewal requested 'Y' or 'N'. Field is blank where there has never been an Outcome/Renewal request form submitted.
14	Latest DTC decision date and time	dd/mm/yyyy h:mm:ss AM/PM	<i>Note: For IPUs added via data migration for which there have not been any subsequent DTC decisions documented in the system, the field = 'original DTC decision date' as per the data migration file.</i>
15	Latest DTC decision	Text	'Approved', 'Rejected', 'Noted' OR 'RequestInfo'. Field = 'No data' where Status = 'Awaiting Review'.
16	Latest DTC decision comments	Text	Comments entered as part of the latest DTC decision.
17	Latest DTC high level outcome classification	Text	'Effective', 'Partially effective', 'Not effective' OR 'Unknown'.
